

Wheat Harvest Starts Here

East Meets West at U.N. Headquarters

In full ceremonial dress, representatives of the Mohawks, the Senecas and the Tuscaroras—American Indians who live on reservations on both sides of the border in Eastern Canada and the USA—recently visited United Nations headquarters to ask for aid on complaints involving treaties. Here Miss Emily General (right) of the Mohawk nation talks with Mrs. Hansa Mehta, representative of India on the U.N. Commission on Human Rights.

Football Stadium Addition Slated For Immediate Start

Contract has been let by the Hamlin schools for the erection of an addition to the football stadium which is to begin at once. Contract was let to T. E. Sheldene & Sons and calls for the erection of stands that will be in duplicate of the stadium now used at Stamford.

Through construction of the new plant, 2,000 seats will be added to accommodate spectators for the fall classics.

It is felt that the additional seating will care for the overflow crowds which were in evidence at each game played by the Pied Pipers in last year's schedule.

Arrangements are to be made to offer a larger group of seats under a reserved basis and it is rumored that options are to be offered to further assist in financing the building of the stands.

Superintendent I. R. Hutchingson was not available for detailed information relative to the seating details.

County Bond Sales Lag Behind Quota

A report of sales of Series E Bonds in Jones County was received by The Herald this week giving the first week of the Independence Savings Bond Drive.

Quota for Jones County was \$77,500.00 with \$1,593.75 already raised or 2.06 per cent of the quota.

The drive was launched on May 15 and will continue through July 4, Independence Day.

The Herald will carry sales reports as they are received from the Treasury Department at Dallas.

Jess Young Well Nearing Pay Level

Interest mounted late this week in the Wheelock Drilling Co. No. 1 Jess Young well on the southeast outskirts of Hamlin.

Operators have already passed through the Flippen and Gunsight pay sections without encountering commercial possibilities and are at the approximate depth to encounter the Swastika at present time.

Latest announced depth of the well was 3340 feet and returns were being watched for indications of the Swastika pay. Opinion is that the operators are principally interested in the Strawn and Ellenburger levels but all formations are being carefully watched as the hole progresses.

It was considered expedient to lay down old drill pipe and replace with new on Wednesday and the necessity of this operation has delayed penetration into the Swastika horizon.

Child Electrcuted While At Play

Richard Dennis Davis, Jr., four year old son of Mr. and Mrs. R. D. Davis died in Hamlin Sunday from an electrical shock.

The child had been playing under his parents' trailer house with his kitten and came in contact with wiring.

The parents of the child had moved here recently from Stamford and neighbors noticed the child under the trailer house, which was comparatively new. The lad had gotten his feet wet and this is believed to have contributed to the force of the electrical shock.

Efforts to revive the boy were unsuccessful and he was pronounced dead on arrival at the Hamlin Memorial Hospital.

The body was taken to the former home at Stamford where funeral services were held Monday at the First Baptist Church. Burial was in the Highland Cemetery.

Survivors are the parents; a younger brother, William Jeffrey Davis; the maternal grandfather, Mrs. Essie Anderson of Stamford and parents of the father, Mr. and Mrs. W. M. Davis of Lueders.

Russell Recites Role To Entertain Lions

Ted Russell gratified a pent up desire to make a speech Tuesday when the entertainment failed to appear for the weekly Lions Club luncheon.

Russell warmed to his subject with a report on the Senior Trip to New Orleans, of which he was an adult member, and then began a description of early murder trials in Jones County.

Occasion was the escape of a convicted murderer whom he had helped, as a juror, to send to the penitentiary.

Russell exhibited a marvelous memory for names and events which had happened twenty-three years ago. No other business was transacted by the club.

Larger Yield Looms Than Anticipated

The combines are turning this week in Jones County and Saturday should find the wheat harvest for the area in full swing.

Opinions are generally expressed that if further rainfall can be eliminated for a harvesting period that Jones County will have a much greater yield than has been predicted.

Thursday morning totals from McBride & Johnson, Harden Grain Company and Fred B. Moore Elevator showed that about 13,000 bushels of wheat have been handled through the local plants.

Opinions vary as to what the average yield will be for the county but some very favorable earlier harvests have been reported. First cuttings from the J. C. Lain farm, six miles northeast of Hamlin indicate a 25-bushel per acre yield which may fall off as the end of the harvest nears.

E. T. Pittard, seven miles south-east of here, cut 32 bushels to the acre from 3 acres and it is believed that his production will level off to 25 bushels.

Larry Adamson, of the Plainview community, 10 miles southeast, indicates that this cutting will average 25 bushels.

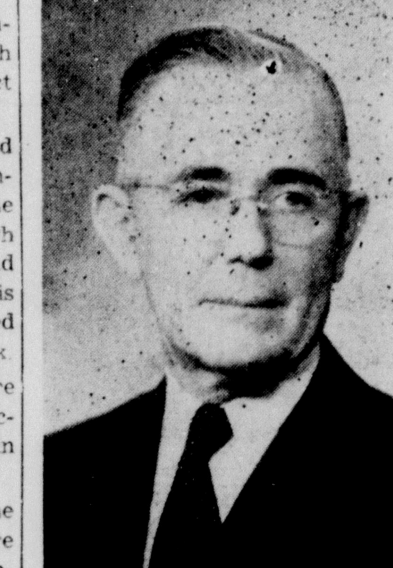

More conservative estimates are that Jones County may finish the harvest with 11 to 12 bushels average yield.

Varieties reported are principally Early Wichita, Early Triumph and some Early Black Hull.

It is reported that harvest at Crowell and in the Seymour vicinity is about ninety percent completed.

Methodist Revival At Celotex Nightly

Rev. Cecil Fox of Leuders Methodist Church, assisted by Bro. Davis Edens, pastor of Celotex Methodist Church will hold a 10 day revival at the Celotex Club.

REV. CECIL FOX house June 2 through 11. Services will be conducted at 9:30 a. m. and from 6:30 to 7:30 p. m. daily. Anyone who plays a violin or trios and quartets are asked to render numbers. Everyone is invited to attend the services and help in the song services.

New Mexico Man Comes to Malouf's

O. D. Stover, New Mexico and West Texas merchandising man of long standing, has joined the personnel of the Malouf Dry Goods store.

Mr. Stover will assist George Malouf in operation of the store in all departments.

Mr. and Mrs. H. O. Cassle, Jr., are visiting the H. O. Cassle family in Hamlin. The younger Cassle is from Meadville, Penna. He has accepted a position with the Masonite Corp. as a factory representative and will report to Dallas district office from which he will be sent to Wichita, Kansas. Mrs. Cassle will remain in Hamlin for an additional two weeks before departure for Wichita.

Hamlin Leads In Census Growth

As figures on the growth or loss of census count throughout this section of West Texas are released by Donald Pulver, Abilene head of the bureau, Hamlin is beginning to occupy an exalted position in the final summaries.

Despite the obvious disappointment that is being felt throughout the area, it is beginning to be established that the figures released by the bureau are remarkably accurate.

Hamlin citizens found it difficult to believe the figures released through The Herald last Friday. As the figures developed on the neighboring towns and counties the count for Hamlin began to assume favorable aspects.

With a growth of 1,158 persons for the past ten years Hamlin would have a computed growth of slightly in the excess of 48 per cent.

No other community in the vicinity has been able to offer a comparable growth in figures released to date.

Seniors Return From Eventful New Orleans Journey

Sixteen of the graduating class of 1950 from Hamlin high school returned to Hamlin Monday from their Senior Trip to New Orleans, Louisiana.

First event in the trip was the reception given them on their arrival in Abilene Thursday morning, when they were photographed in a group prior to boarding the Texas and Pacific railroad special train.

The photograph was published in Abilene newspapers.

Arrangements had been made prior to their arrival in New Orleans for the group to visit historic landmarks and eat in famous restaurants throughout the city.

After their tour of the Crescent City, they were taken to Biloxi, Mississippi, where they were guests at the famous White House.

Every provision was made for their comfort and convenience by the railroad representatives and this added to the enjoyment of the trip. For many of the seniors the trip marked the first experience they had had with railroad Pullmans and dining cars.

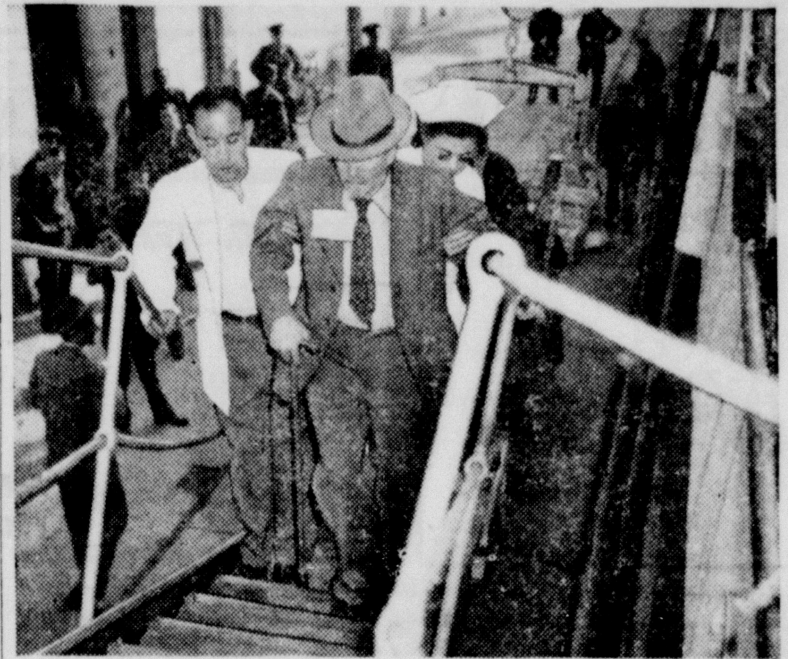

Particularly gratifying to the adult group which accompanied the student travelers was the impression cast by their behaviour. Virtually all railroad employees with whom the group came in contact praised the Hamlin seniors as the most orderly group with which they had come in contact. An indication of the good behaviour is contained in the fact that all opinions expressed were voluntary on the part of the railroad men. They simply felt that Hamlin residents should know of the character of their youth.

The group was composed of the following seniors: Harold Carter, Jerry Briscoe, Eldon Campbell, Donna Miller, Buddy O'Neal, Bobby Ruth Brown, Wayne Daniel, Clela Faye Willis, Patsy Parker, Ynell Decker, Frances Martin, Raymond Scifres, Nellie Koonce, Nita Green, Bedford Putnam and Frances Boyd.

Accompanying the seniors were the following adults: Billie Kathryn Lancaster, Billie Joe Parrish, Mrs. Mary Farrow, Mrs. Alta Hought, Mr. and Mrs. W. C. Russell, Mrs. Ben Parker, Mrs. Austin Poe and I. R. Hutchingson.

Mrs. Gus Travis, Doty Travis, Mrs. F. E. Wheeler and Charles Brewer went to Gainesville for the Monday funeral of Jack Richey, a cousin. Richey was burned fatally in an accident at McAlester, Oklahoma.

Jewish DP's Find Haven in Israel

By agreement between Israel and the International Refugee Organization (IRO) of the United Nations, some 3000 displaced persons (1600 institutional cases plus 1400 dependents) will now find new homes in Israel. Here a Jewish refugee of German origin, suffering from heart disease, is escorted by the gangplank of an Israeli ship docked at Naples by a Palestinian nurse and sailor. IRO will pay \$2,500,000 to Israel to help finance five institutions for aged refugees.

Methodists To Hear Missionaries To Japan On Sunday

Rev. and Mrs. R. W. McWilliams of Windsor, Illinois have recently been appointed to serve as missionaries in Japan and will be here for the morning service of the Hamlin First Methodist Church, announced Dr. Will C. House, minister.

Under the Advance for Christ and His Church Program the Methodist Church at Albany, Anson, Baird, Merkel and Hamlin with two Abilene churches will support these new missionaries.

After visiting in the Abilene District they will go to the University of California for some short courses before they proceed to their new field.

The public is cordially invited to worship with us and hear these young people.

At the Sunday evening service at 7:30 p. m. the new officers of the Womens Society of Christian Service and of the Wesleyan Service Guild will be installed by the minister.

PMA Announces New Allotments For Wheat Growth

New grower wheat allotments may be obtained for 1951 on farms on which no wheat was seeded for harvest in any one of the years 1948, 1949, or 1950, according to a report received this week from Walter H. Cook, Jones County Production and Marketing Administration chairman.

To be considered for a wheat allotment an application in writing must be filed at the PMA office in Anson not later than June 26.

The necessary application forms may be obtained at the PMA office and all farmers who intend to seed wheat in 1951 on farms on which wheat was not seeded in 1948, 1949 or 1950, are urged to get their applications in before the closing date.

Announcement Made Of Top O' Tex Rodeo

The 6th Annual Top O' Texas Rodeo and Horse Show has been announced at Pampa by officials this week.

Dates for the show are set for August 8, 9, 10, 11, 12. Features this year in the all amateur show is a horse show August 9 and 10, big kid pony show, August 8th at 8:00 p. m. Nightly rodeos August 9-12.

Washington, D. C. became the capital of the United States in 1800.

John Turner Loses In Big Spring Fire

John Turner was called to Big Spring Saturday morning to inspect fire damage to a building owned by him and occupied by the Barrow-Douglass Furniture Store.

As the manager of the store turned the switch to extinguish lights, gas was ignited to cause a terrific explosion which rocked the neighborhood. Fire immediately followed the explosion and the interior of the building was gutted.

Turner and his son, J. C. Turner, Jr., drove to Big Spring Saturday morning.

He reports that the walls of the 50 x 140 foot building are comparatively sound and a portion of the tile front can be salvaged.

There is some indecision as to when the building will be rebuilt, pending action of the operators of the furniture store. They have not indicated whether they will execute another lease pending settlement of their insurance claims.

The store was formerly operated by A. B. Barrow, who is prominent in Hamlin and the section. The business had been sold for some time to other operators.

Cleanup Week Nets Favorable Action

The Junior Chamber of Commerce sponsored Cleanup Drive for Hamlin has resulted in furries of activity throughout the community.

Cooperative steps have been taken by the Jaycees, city administration and other smaller groups to bring the week to a satisfactory close. Many individuals have entered into the spirit of the work and vacant lots throughout the town have been cleared as a result.

Recent rains have speeded up growth of weeds and other vegetation and control of mosquitoes is of prime interest in the cleanup drive.

Wesley Nail, president of the Jaycees & very active in the execution of the program.

Country Club To Use Additional Mowers

Club President Chuck Abbott and Lakeview Country Club directors have purchased additional drag-type fairway mowers for the local golf course.

Since the rains of the past weeks the fairways of the country club have produced a playing surface that is second to none in this section of the state and visitors to the course marvel at the grass carpet that is maintained.

Abbott has been busy for weeks trimming the fairways and rough to make the layout presentable.

Large Attendance Greets Church of Christ Bible School

Vacation Bible School now in progress at the Hamlin Church of Christ will continue through Friday, June 9, according to a report from Minister Lee E. Rawlings.

Enrollment of the school now numbers over 260 and a total of 218 were present last Tuesday morning. A greater attendance is expected through the remaining days.

Final exercises for the school will be held at the church building, Friday night, June 9. On Saturday morning, June 10, a picnic will be given for the entire school.

Classes are provided from the age of two through the adults.

Instruction is also given in Visual Aids through the use of the flannelboard and filmstrips, lesson study, handwork activity, and singing.

"Our staff of 25 teachers and assistants," states Minister Rawlings, "are doing an outstanding work in instruction. This school presents the best in interest, attendance and personnel, we have ever had, and we sincerely urge each child to take advantage of this good instruction."

King Edmund of England drowned while trying to make the tides obey him.

Janet Bonner Plays Piano for Rotarians

Hamlin's Rotary Club met Wednesday noon at Johnson's Drive-Inn for their regular meeting.

Visitors from area towns included: Tom Eplen, A. B. Youngblood and C. C. Chentworth all of Abilene; Ed Eiland of Sweetwater. A guest of Gene Witt, was Ivy Jones of Rotan. Guest of the club was Janet Bonner, former pianist for the club.

Wesley Nail gave a report on Clean-Up Drive of the Jaycees and City of Hamlin, giving details and so forth.

Janet Bonner, told of her experiences at Abilene Christian College, Abilene and rendered a number entitled "Butterflies" on the piano.

Improvements Made In Sanders Home

The family of Walter Sanders, Hamlin jeweler, will return to their residence on North Central Avenue Sunday, when remodeling of the premises is completed.

The home was refinished with new interior walls, a new roof, a new rock foundation and a garage was added to the premises.

While the work was in progress on the house, the Sanders family were the guests of Mr. and Mrs. Jack Hames.

Before we give arms to other countries, we should know whom they're going to embrace.

Honor Certificates To Be Issued To Elementary Students In September

A complete list of this year's Elementary School honor students were received by The Herald this week.

Announcement was made that the honors will be awarded the first thing next year, due to the failure of the certificates arriving in time for presentation according to school officials.

Those with perfect attendance and grade were: John L. Moore, 1a; Sam Mack Hodges, 2b; Barbara Sampson, 2c; Patty Ann Terry, 3a; Michael Brandon, 3b; Joyce Gray, 3c; Jerry LaBaume, 5a; Donald Pylon, 5b; Davey Weaver, 5c; Katherine Donham, 6b; Judy Ann Brandon, Almetta Niedacken, Reba Roland (Dennis Johnson, 6c; Helen Acuna, Betty Sue Amason, Mary Lou Amerson, Walter Willis, 7a; Charlene Smith, 7b.

Those with scholastic honors were: Oran Brigham, Joe Stephens, Anona Board, Sara Kay Fomby, Joyce Grimm, 4a; Dorothy Irvin, Elaine Stark, Jo Ann McInire, Jessie Forbes, 4a; Jim Dennis, Billy Craig Murff, Kenneth Hill, Renee Moore, Donna

Jean Kidd, Anna Joyce Hines, 4b; Gene Steele, Patricia Norris, Linda Carlton, Ronny Parker, Judy Harden, Vermelle Johnson, Jerry Fred Jay, Janis Crowley, 5a; James Weldon Walsh, Betty Lou Gray, Cecilia Albritton, Annette Smith, 5b; Margie Acklin, Joe Cowan, Elizabeth Norton, Mac Reid, Muri Don Smith, Mary Wilbanks, 5c;

Neal Funk, Ted Wright, Lavonne Wilson, Martha Bunkley, Louise Herd, 6a; Stanley Wilkins, Marcene Crawford, Nancy Jenkins, Don Jenkins, John Brinegar, 6b; Paige Balze, Dennis Johnson, Holly Toler, Joyce Bigham, Judy Ann Brandon, 6c; Ronald Hill, Barbara Durham, Bennie Doris Smith, 7a; Frankie Jo Andress, La Joyce Berry, Peggy Briscoe, Betty Jean Dillard, Leveta French Maureen Jenkins, Shirley Nelson, Anna Mae Slaughter, Margaret Wilson, Alta Lois Rodgers, 7b; Tommy Hester, Billy Kelly, Robert Altum.

Scholastic honors are awarded to students with 90 or more average and certificates will also be given in September.

Hamlin Girls and McCaulley Softball League Winners

In softball league play this week Hamlin VFW defeated McCaulley 15 to 0 in the first game Monday, May 29 and Conoco took the measure of Sylvester in the afterpiece, 13 to 10.

On Tuesday night Hamlin girls romped on the Hitson girls 18 to 2 and McCaulley staged a thrilling rally in the last of the seventh to take Hitson 9 to 8.

In the girls game Bobby Ruth Brown set down 10 Hitson girls through strikeouts.

Thursday night VFW contested Neinda and McCaulley engaged Hamlin Lions.

Monday night VFW and Sylvester will battle in the first game and Neinda tackles Hitson.

Tuesday's schedule pits Hamlin Lions against Hitson and VFW will compete with Conoco.

Mrs. Joe Dillingham has returned from Temple, where she entered Scott & White Clinic for a diagnostic examination.

The first flag to fly over Texas was the French flag in 1884.

Helen Ray Boiles Bride of J. B. Spencer Sunday

By Mrs. O. R. Criswell
Mr. and Mrs. Redus Boiles are announcing the marriage of their daughter, Helen Ray to J. B. Spencer, son of Mr. and Mrs. J. B. Spencer of Celotex, Sunday, May 21.
Both bride and groom were dressed in gray. Bride wore gray accessories and pink carnation corsage.
The single ring ceremony was performed in the home of the grooms parents at Celotex by Rev. G. R. Underwood.
A wedding dinner was served to a large number of relatives and friends.
After a short wedding trip to East Texas the couple are at home in Hamlin.

Mr. and Mrs. Roy W. Carmichael left Wednesday for Cisco where they will visit with a brother, Mr. and Mrs. Cy Carmichael.

Curry, May 22, medical; John Nazworth, May 22, medical; George Davis, May 23, medical; Thomas Ferguson, May 23, medical; L. A. Eaton, May 23, medical; Mrs. Jess Humphries, May 25, medical; W. H. Hall, May 24, medical; Mrs. Morris Woolf, May 26, medical; Don Brown, May 26, medical; Neal Funk, May 26, medical; Gene Steele, May 29, surgery; H. H. Hobbs, May 28, medical; Mrs. W. H. Nazworth, May 29, medical; F. E. Pitt, May 29, medical; Betty Sue Galloway, May 29, medical; Mrs. T. C. Robertson Jr., May 29, medical; Mrs. Dorothy Spurlock, May 29, medical.

Dismissed since last week's report were: Mrs. J. B. Terrell Jr., May 23; Mrs. E. C. Smith, May 23; Jim Hitt, May 29; Regina White, May 22; Mrs. W. H. Nazworth, May 28; Mrs. Albie Matechha, May 27; W. F. Jones, May 27; F. W. Curry, May 30; John Nazworth, May 25; George Davis, May 25; Thomas Ferguson, May 25; L. A. Eaton, May 29; Mrs. Morris Woolf, May 29; Don Brown, May 27; Neal Funk, May 29; Gene Steele, May 30.

George Washington laid the tol.

PERHAPS SOME FROM Hamlin will be among 50,000 persons to visit Huntsville to see the shrines dedicated to the memory of General Sam Houston. Surrounding the Monticello-like museum structure in a beautiful 15-acre park are the original Houston home, carriage

house, log kitchen, law office and Steamboat House, where the soldier-statesman died in 1863. He is buried in the Oakwood Cemetery and a monument of the "Raven" is mounted on his favorite steed. Other relics of the battle of San Jacinto housed in the museum. Among them are

his crutches, cane, flag and pistols and Santa Anna's saddle, sword, dagger, walking stick and field glass. The Houston Home is also located and furnished with pieces representative of his time. Several other things of interest are all located in the park.

QUESTIONS AND ANSWERS

Q—I am receiving compensation from VA for a disability incurred in service during World War I. If I retire from my civil service job and receive a pension, will it affect my compensation?

A—No, our compensation from VA is based only on your disability, not on your income or job status.

Q—I have a World War II service connected disability. My eyesight is failing and I would like to know if VA will furnish me with spectacles?

A—If your failing eyesight is service-connected or caused by your service-connected disability, VA may furnish corrective glasses upon application.

Q—Our son, a World War II veteran, was killed in battle and his widow is now remarried. Are we entitled to apply for compensation if you are in need, regardless of when the need arises.

A—You may apply to VA and receive compensation if you are in need, regardless of when the need arises.

Q—My husband refuses to tell

Grasshoppers cannot jump unless the temperature is at least 62 degrees Fahrenheit.

Harvard University, founded in 1636, is the oldest college in the United States.

May 4, 1607 was the date of the first permanent English settlement in North America.

me who is the beneficiary of his National Service Life Insurance. Will Veterans Administration give me the name of the beneficiary of his policy?

A—VA does not divulge the name of the beneficiary of a living veteran. Only your husband can give you that information; and he is free to change his beneficiary at anytime without consulting or notifying anyone.

Cotton Farmers Urged To File For Smith-Doxey Plea

As soon as you've planted your cotton, file your application for the benefits you receive under the Smith-Doxey Act.

That what local cotton farmers were urged to do today by H. J. Matejowsky, in charge of the cotton classing office at Abilene, PMA, U. S. Department of Agriculture.

Under the Smith-Doxey Act, farmers belonging to organized cotton improvement groups can get their cotton classed by USDA without cost. Also, they are eligible for USDA market news service.

Applications for these services may be secured at the office at Abilene local gins, and county PMA offices; also from county agricultural agent.

The Celotexan

By Mrs. O. R. Criswell

Mr. and Mrs. Glenn Wesley Bond and daughter from Fort Worth are visiting the G. M. Bonds this week.

Ardenne Lockhart, Miss Mildred McClendon of Abilene spent Sunday with Mr. and Mrs. W. C. Lockhart.

Mrs. Beulah Ellerby of Jayton is visiting in the home of Mr. and Mrs. J. W. Riddle. Mrs. Ellerby celebrated her 76th birthday Tuesday.

Mr. and Mrs. I. D. Acklin spent the week-end at Anson visiting relatives.

Mr. and Mrs. T. N. Hemphill visited their son Glendon, and wife of Lubbock. He is a master plumber and owns a plumbing company.

Miss Iris Ann Criswell, employee of Terrell Laboratories of Fort Worth, spent the week-end with Mr. and Mrs. O. R. Criswell. She is learning to be a lab technician.

Mr. and Mrs. D. C. Robinson and baby of Crane were week-end guests of Mr. and Mrs. Floyd Wallace and family.

Mr. and Mrs. Jake Gilkerson and Barbara of Big Spring visited Mr. and Mrs. Dot Fuller early this week.

Mrs. Sid Clay, Mr. and Mrs. Clarence Azbell visited Mr. and Mrs. Lewis Woolf and family.

Mr. and Mrs. E. G. Carr of Lamesa were visitors of H. C. Carr and family the past week-end. L. A. Eaton, who recently had

his foot crushed by a tractor, is expected to be home soon from the Hamlin hospital.

Herman Eaton of Fort Worth spent the week-end visiting his

parents, Mr. and Mrs. L. A. Eaton.

Numismatics is the science dealing with coins and medals.

Meatime MARVELS

EGG AND SPINACH CASSEROLE

Casserole dishes are one of the best ways to make vegetables more attractive and appetizing. Spinach, eggs, and a bubbly cheese sauce combine delightfully in a casserole. Served piping hot from the oven, this vitamin-rich vegetable dish has extra eye and taste appeal.

Egg and Spinach Casserole
 2 lbs. spinach or 1 box frozen spinach
 3-5 hard cooked eggs
 2 tablespoons prepared mustard
 2 tablespoons fortified margarine
 2 tablespoons flour
 1 cup milk
 1/2 cup grated cheese
 salt
 pepper

If the spinach is fresh, wash well. Steam until tender in lightly salted water. Hard boil eggs. Remove shell and cut in half lengthwise. Remove the yolk; season it with salt, pepper, and mustard. Soften the mixture with milk if necessary. Refill the whites. Melt the margarine in a sauce pan; add flour. Mix until smooth. Add milk; stir over low heat until creamy and smooth. Season to taste with salt and pepper. Add cheese. Stir.

Arrange spinach and stuffed hard cooked eggs in casserole. Reheat in moderate oven (375° F.) about 10 minutes. Serve at once.

For other tempting, nutritious food ideas, send today for your free copy of "Meatime Marvels with Margarine," a helpful, 32-page recipe booklet in two colors. Write National Cotton Council, Box 76, Memphis, Tenn.

Fairview Baptists Hold Social Monday

Brotherhood of the Fairview Baptist Church met in their monthly meeting Monday night.

Family night was designated for the meeting. There were 71 present.

The following visitors were present: Bro. Pate and family, Elba Best, Raydon Rose, W. A. Albritton, Mr. and Mrs. L. B. Bruner, Joanne Johnson all of Hamlin; Bro. Fate Reddin of Abilene; Miss Nettie Beth DeBusk of Anson and Parrish of Oklahoma.

The Calvary Baptist Church Quartet gave four numbers. Bro. Fate Reddin brought the message. Ice cream and cake were served during the social hour.

Agent's Tips On Berry Dishes Give Various Methods of Tasty Preparation

It is berry picking time in many sections of Texas. Of course, that means homemakers will be busy making jellies and jams and a lot of other good things to eat that can be made from berries. Too, some will be frozen and stored in the home freezer or locker box and others will be canned for later use, but don't forget to serve them to the family fresh. They're tops.

A novel way to serve fresh berries is with cookies. Pretty scalloped cookies shell cups filled with fresh strawberries, blackberries or dewberries and topped with whipped cream makes a mighty good and appreciated dessert.

Use your favorite rolled cookie dough to make the cups. The dough will be easier to roll if it is chilled. Roll out the dough to a thickness of about 1-8 of an inch, then cut the circles with a two-inch cookie cutter. Line greased three-inch muffin cups with four cookies each and overlap the edges of the cookies about half an inch. Place a small bit of dough in the bottom to cover the open space. Bake the shells in a moderate oven (350 to 375 degrees F.) for 10 to 15 minutes. Just before serving, fill the shells with fresh berries that have been lightly sweetened and top with whipped cream. This is really as good as it sounds.

Have you ever tried filled cookies on the family? They are easy to prepare. Roll the cookies dough pretty thin—about 1-8 of an

inch thick and cut with a two and one-half inch cookie cutter. Dot the center of the cookie with apple butter, preserves, or your favorite jam or jelly. Next fold the cookie in half and seal the edges. Press a whole pecan or candied cherry into the sealed edge to make a pretty fastening. Bake the cookies on an ungreased baking sheet and in a moderate oven (350 to 375 degrees F.) for about 10 minutes. They are particularly good served with milk, iced tea or coffee.

Just in case you have plain cookies that get a little too dry for eating; save them by making them into sweet crusts for pies. Place the cookies in a paper sack and crush with a rolling pin. Combine crumbs with butter or margarine—about one-third cup of butter or margarine to one and a third cups cookie crumbs makes a good mixture. Press the mixture into a pie pan and fill with chiffon custard or cream fillings. If margarine is used, brown it slightly in the oven at about 300 degrees F.

New Bulletin Issued By Extension Service

A new bulletin that should be of interest to most Jones County homemakers has been released by the extension service according to an announcement made by Miss Loreta Allen, Jones County Home Demonstration Agent.

Copies of the bulletin may be had at her office in Anson.

Included in the suggestions and recipes that are sure to please are suggestions for planning before you bake—the most efficient way of getting ready to bake. And best of all the collection of recipes. The hot biscuits, hot bread, muffins, cornbread, sandwich breads, are all called quick breads to distinguish them from the yeast breads. Takes longer to prepare and bake the yeast breads.

There are recipes for pancakes, nana bread, prune and orange waffles, white nut loaf bread, bread, stoned Boston brown bread and many others.

Coffee Held For Comrades Class

Members of the Comrades Class of the Hamlin First Methodist Church, entertained Sunday morning at a coffee in the home of Mrs. John A. Ferguson.

Devotional was given by Mrs. E. M. Wilson, teacher of the class. Those present were: Mmes. Ned White, Dean Witt, E. M. Wilson, Holly Toler, Fred Ratliff, Jap Kemp, Don Hymer, J. D. Ferguson, O. T. Kelley, Foy Price, Charles Gardner, Kenneth Parker, M. D. Smith, Tom Wilson, Vernon Lindquist, Robert Gardner Alvin Hudson and a visitor, Mrs. A. D. Ensey of Odessa.

Presiding committee is composed of: Mrs. John D. Ferguson, chairman, Miss Fay Stice and Mrs. Fred Ratliff Jr.

Rev. Willie Barrett To Conduct Anson Meet

Rev. Willie Barrett will conduct services at the Primitive Baptist Church in Anson, Saturday June 3 at 11:00 o'clock an announcement revealed.

He will also hold services at 3:00 p. m., Sunday June 4. The public is invited to attend.

Mrs. B. Hassen, Nazak and Netta, drove to Dallas Monday to attend market. They returned on Tuesday evening.

Boston, Massachusetts has the largest drydock in the U. S.

GROWNUP girls, too, can remind the family of the poem "Sugar and spice and all things nice . . ." when these cookies are served. They're called *Spice Meringue Bars* and easy as breathing to make. Beat 2 egg whites until stiff. Then gradually beat in 1/4 cup sugar and 1/2 tsp. vanilla. Blend in 1 package *spice cake mix* (the prepared just-add-water kind) with 1 cup lukewarm water. Grease a 9x11-inch pan with unsalted shortening, line with greased waxed paper. Pour batter into pan and spread meringue on top with spatula. Sprinkle with 1/2 cup chopped walnuts or blanched almonds and bake in preheated gas oven (350° F.) for 35-40 mins. Cool in pan for 10 mins. before turning out. When cold, cut down center lengthwise and across in 1-inch bars. Yield: 22 cookies.

Because of high cooking temperatures, a type of oxide coating forms on the aluminum burner heads of your gas range. Just shine them up with ordinary aluminum cleaner.

The smoky type of cheese lends a pungent taste to broccoli or artichokes. Melt cheese in double boiler, pour over the vegetable.

If there's a slight odor when feather pillows are drying in your gas dryer, don't worry about it. Feathers are animal fibers and the odor is caused by the high temperature needed to get the pillows thoroughly dry.

Protein in fish are what makes it so nourishing a food and which can be retained by cooking over a low gentle flame, never over high heat.

Elegant gravy for steaks: Boil two onions, press through sieve and use for thickening.

All kind INK at The Herald.

Summer Work Home Makers Activity

Thirty-eight Hamlin High School Homemaking students have signed up to do summer work.

The girls meet in three groups according to course they have taken this past semester and each girl is working on a craft.

Crafts chosen include: stenciling, textile painting, metal etching, figuring painting and glass painting.

Each girl also will complete 100 hours on a project at her home.

First year girls taking the course are: June Carter, Vivian Beck, Louella Brigham, Joan Moser, Wanda West, Jessy Dean Powman, Nettie Turner, Velma Ellison, Allene Reynolds, Nona White, Sammie Cavitt, Maxine Crawford, June Berry, Joan Carroll, Jerry Lee, Ann Watts, Adell Altum, Laverne Higdon, Norma Brown, Faye Milliron, Glenda Hallmark, Ella Mae Turner and Mary Lee Roland.

Second year girls are: Barbara Posey, Leta Lail, Eddie Decker, Glenna Brewer, Laura Courtney, Laverne Bond, Eleanor Huchingson, Janet Durham and Peggy McCleary.

Third year girls are: Oleta Meeks, Patsy Brown, Oleta Kite, Maxine Smith, Rose Brady and

Louise May.

Mrs. Camille Simmons is advisor of the girls.

Leader Training Meet On Laundering Held In County Agent's Office Monday

A leaders training meeting on Laundering was held in the Jones County's Home Demonstration Agent's office Monday at 2:00 p. m., according to a report made by Miss Loreta Allen.

At the beginning of the meeting each representative was given a sheet of paper which stated the purpose of the demonstration and ways of planning a demonstration for their HD clubs.

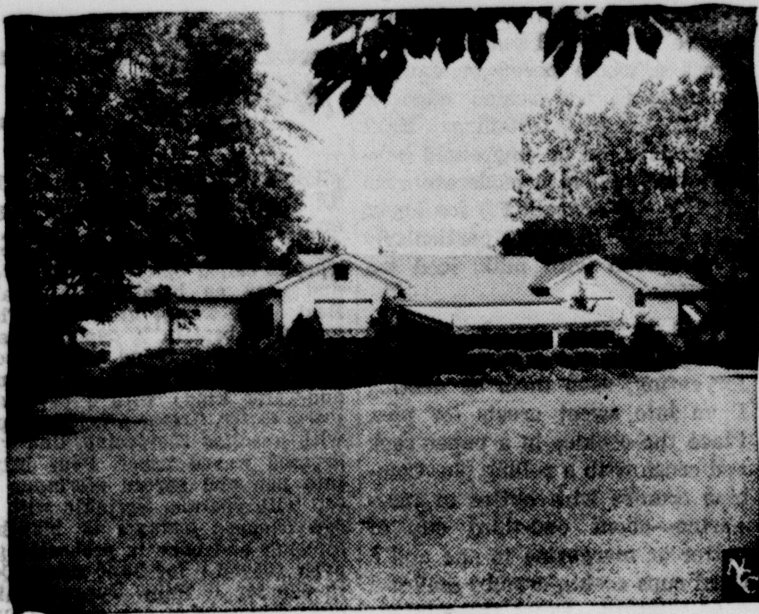

Built and unbuilt soaps, built synthetic detergents and unbuilt

synthetic detergents were shown and discussed.

As the agent discussed the importance of proper laundering and new materials on the market she showed how to wash and rinse a dress, then how to starch using the new plastic starch which gives a new looking finish to clothes. Different kinds of starch were discussed.

Proper ironing was then stressed, because without proper ironing a well laundered garment can-

SUMMER IS COMING!

It's grass mowing time again—a sure sign that summer is practically here. Another sure sign of summer is canvas awnings going up. This attractive home gets a summer face-lifting with canvas awnings—but they are there for a practical purpose as well. Canvas awnings prevent as much as 88 per cent of the sun's heat from entering a room, tests made by heating and ventilating engineers have revealed. On dark, rainy days, this type of awning is easily raised to admit a maximum of light.

Mrs. George Bingham Honored With Tea In John Hymer Home

Mrs. Burton Hill and Mrs. Gene Richardson honored Mrs. George Bingham with a gift tea in the home of Mrs. Richardson's mother Mrs. John Hymer, last Wednesday.

Those calling were: Mrs. L. B. Petty, Wanda Mayfield, Mrs. Fred Vaughn, Mrs. Wallace Walton, Mrs. Elmo Bellah, Mrs. Frank Williams, Mrs. G. B. Howington, Miss Ruby Dean Hymer, Mrs. Olin Amerson, Mrs. Audie Dixon,

not look its best. The agent demonstrated how to iron a cotton dress which had been laundered before the meeting.

All during this meeting questions were asked by the members attending and many interesting points were brought out as a result of this.

Representatives who attended and will give this demonstration to their clubs at a later date were: Mrs. Ben Adkins, Mrs. R. G. Bond, Compere; Mrs. E. S. Johnson Neighbors; Mrs. J. L. Hermann, Mrs. H. F. Brigham, New Hope; Mrs. Earleen Harvey; Mrs. Ann Doty, Willow Creek; Mrs. Toff Herndon, Mrs. George Q. Brooks, Mrs. Jess M. King, Bluebonnet; Mrs. J. W. Osment, Mrs. Lou Polnac, Tuxedo; Mrs. Dee Carman, Mrs. A. L. Spraberry, Harmony; Mrs. C. H. Young, Mrs. C. M. Latham, Pleasant Valley; Mrs. Edd Rogers, Mrs. Cecil Brown, Friendship.

Methodist Group To Hold Cake Sale June 3

M. Y. F. of the Hamlin First Methodist Church will hold a cake sale Saturday, June 3, according to an announcement made The Herald.

Sale will begin at 10:00 o'clock in front of Bryant-Link Co.

Purpose of the sale is to complete the funds to send 4 delegates to the M. Y. F. Assembly at McMurray College, Abilene, June 5-10.

Mrs. W. W. Green returned from Odessa early this week where she saw her grandson, Otis Taulm Jr., graduate.

Fred Hawkins of Abilene visited over the week-end with his grandparents, Mr. and Mrs. R. O. Proctor.

Mrs. Calvin Emery, Mrs. Bud Trotter, Mrs. Bonnie Bingham, Mrs. Carl Young, Miss Nozik Hasen, Joanne Johnson, Mrs. L. R. Faulkenberry, Mrs. Frank Tucker, Mrs. Alton Mayfield and Mrs. O. T. Kelley.

Donna June Gillis Wed to Hamlin Man

In a double ring ceremony at 8:30 p. m. Tuesday in the St. John's Methodist Church of Lubbock, Donna June Gillis, daughter of Clyde Gillis, Stratford became the bride of George Edward Bingham, son of Mr. and Mrs. Bonnie Bingham of Hamlin.

Dr. J. Ralph Grant officiated at the ceremony.

Wedding vows were repeated before an archway of white gladioli and greenery.

Miss Imogene Webster, organist, played a medley of wedding music and accompanied Mrs. A. C. Bowden who sang "Because" and "At Dawning I Love Thee."

The bride given in marriage by her father was wearing an informal dress of white organdy styled with a low neckline and full skirt. With it she wore matching accessories of white. Her shoulder length veil hung from a halo of stephanotis. She carried a white Bible also topped with stephanotis.

Frankie Richardson, matron of honor, wore a dress of blue organdy with navy accessories, and a corsage of white gladioli.

Attending the bridegroom as best man was Gene Richardson.

Miss Deneve Turner, cousin of the bride was candlelighter. She wore a dress of pink organdy.

Ushers were Buddie and Dan Gillie, brothers of the bride.

A wedding reception was held in the home of Mrs. Roy Campbell. Those assisting with hospitalities were: Mmes. L. B. Maberry, Cecil Turner, Campbell and mother of the groom.

For traveling the bride wore a two piece white gabardine suit and navy accessories.

After a brief wedding trip the couple returned to Augusta, Georgia where the bridegroom is stationed at Camp Gordon.

The bride graduated from Hamlin High School and attended

Draughton's Business College in Lubbock. She was recently employed with Lubbock Sash & Door Company, Lubbock.

Bingham also graduated at Hamlin High School and is now a corporal stationed in Camp Gordon.

Mr. and Mrs. A. D. Powell, Mr. and Mrs. Raymond L. Nichols and children, Delia Carol and R. L. Jr., toured West Texas over the week end.

Visiting in the home of Beach Jones in McCaulley last week were: Professor and Mrs. W. W. Webb and sons, Gerald and Clifford of Kress and Mr. and Mrs. J. W. Whitehead and daughter, Patsy, of Muskogee, Oklahoma.

Peggy Ann Jones, daughter of J. B. Jones of McCaulley returned with Mrs. W. W. Webb to Kress to spend the summer.

Kyle Vick Pledges Veterans' Aid

An additional issuance of \$50,-
000,000 bonds for the Veterans'
Land Program plus additional ap-
propriations for increasing the
staff of the office to facilitate
the handling of loan requests will
be urged before the next Legisla-
ture by Senator Kyle Vick of
Waco, candidate for Lieutenant
Governor of Texas.

"This increase in bonds and
staff allotments can be handled
without a penny cost to the Tex-
as taxpayers," Senator Vick said.
"Of the \$25,000,000 bonds issued
last year, \$5,000,000 have already
been used, another \$10,000,000 in
bonds have been cashed, leaving
only a \$10,000,000 surplus, with
thousands of loan applications
crowding the loan staff."

Some veterans' applications have
been in the mill for from six to
eight months with no action in
sight. "This is not the fault of
the Veterans Land Board," Sen-
ator Vick emphasized. "The staff
is just not large enough to take
care of the flood of loan applica-
tions, and the original bond is-
sue will not be sufficient to cover
all applications."

The Veterans' Loan Bill autho-
rized the issuance of \$25,000,000
in State bonds to cover loans to
GI's of the last war for the pur-
pose of buying farm and ranch
loans. Veterans may borrow as
much as \$7,500, less a five per
cent down payment at three per
cent interest for a 40-year period.
The loan is repayable in monthly
installments.

ESTATE OF GLADYS POE,
A Non-Compos Mentis No. 1964
In the County Court of
Jones County, Texas.

TO: All persons interested in
the above Non-Compos Mentis or
her estate:

You are notified that I have on
the 31st day of May, 1950, filed
with the county clerk of Jones
County, Texas, an application un-
der oath for authority to make an
oil and gas lease on that cer-

Speaking Of "Pension Funds"

tain real estate belonging to such
non-compos mentis, described as
follows:

An undivided one-sixth (1-6)
interest in and to all of the oil,
gas and other minerals in and
under all of the Northeast One-
Fourth (NE 1/4) of Subdivision
No. One (1) League No. 358, Gol-
lad County School Lands, Jones
County, Texas, containing One
Hundred Sixty-Three (163) acres
of land, more or less;

That Roger Garrett, judge of
the county court of Jones County,
Texas, on the 31st day of May,
1950, duly entered his order desig-
nating the 12th day of June, 1950,
at 10:00 o'clock a. m. in the coun-
ty court room in the courthouse
of such county as the time and
place when and where such appli-
cation would be heard and that
such application will be heard at
such time and place.

(Signed) George W. Poe, Guardian
Estate of Gladys Poe,
a non-compos mentis. 1c

governed under its original con-
stitution.

Roy Brown Makes Statement to His Precinct Voters

To the voters of Precinct No. 1,
Jones County, Texas.

I want to take this opportunity
to again thank you for the past
support and confidence you have
shown in me by giving me the
large majority that I received in
the past. I have tried to be wor-
thy of that confidence. With the
13 years as an operator and three
years as your Commissioner, I be-
lieve I can serve you better in the
future. I would like to give you
a few of the facts and figures on
the things that have been done in
your Precinct, with your coopera-
tion.

First, the total number of brid-
ges in the Precinct: We have
684 bridges in Precinct No. 1.
Of this matter, 259 of these brid-
ges have been completely rebuilt
out of wood material in the last
three years. Fifteen of these
bridges are steel I beams with
wooden floors, which have to be
refloored every three or four
years. Three years ago we only
had a total of three concrete
bridges in our Precinct. I have
built a total of 269 bridges with
concrete and metal. This only
leaves a total of 141 bridges, plus
the steel that has not been com-
pletely rebuilt in the past three
years. Most of these have had
quite a bit of repairs. In the last
three years, I have made your

Precinct \$34,687.20 building ter-
races. This is almost \$1,000.00
per month, besides keeping your
roads and bridges up. This had
helped the farms and has also
helped the road and bridges when
we have large rains.

I have bought \$41,715.86 worth
of new equipment in the last
three years: three motor graders,
two new trucks, two pickups.

Without the money made ter-
racing, it would have been impos-
sible to have bought any new
equipment.

My card showed on May 8, 1950
—\$13,308.10 in the Treasury for
Precinct No. 1.

I think this is a very good re-
cord, considering the number of
miles of road in the Precinct. We
have 475 miles of road in Precinct
No. 1.

These things have been done
without raising your taxes or the
valuation on your property.

I am going to try to do each
one of you, but if I fail to do so, I
earnestly solicit your vote and in-
fluence in the coming Primary.

Thanking you again.
Roy C. Brown,
County Commissioner, Precinct 1.

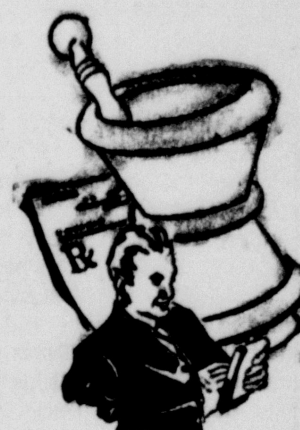

Fair, France was in the hands
of the English nation from 1430
to 1436.

Standardization Leads To Simplicity In Texas State Highway Control Lights

What do you know about highway traffic signals? If your knowledge is limited to the fact that you go when the signal shows green and stop when it shows red, you can make the problem of traffic control an easier one for your public officials by knowing more about traffic signals.

You can help bring about uniformity of traffic signals by learning to identify the standard traffic signal and then encouraging your officials to use only standard types when they install new signals or replace existing non-standard signals. Wouldn't it be much easier for you to understand the indications given by traffic signals if they were all of the same design in every town and state? In fact, standardization of traffic control signals is considered so desirable and important that the 50th Texas Legislature specified that all highway signals installed in Texas after 1947 shall conform to National standards.

The sketch will help you identify the most common type of a standard fixed-time (stop and go) signal for suspension over the center of the highway. To be standard each face must have at least three lenses, with red at the top, yellow below the red, and green below the yellow. Additional lenses, showing arrows and walk-wait, may be added at complicated intersections to provide for special movements of traffic. The standard position of the lenses is not only helpful to every motorist, but it is especially helpful to the color blind who can tell whether to stop or go by the difference in brightness of the lenses when they cannot distinguish colors.

The yellow signal, which follows green only, plays a very important role. It warns traffic in motion that the signal indication will change; it provides a clearance time for traffic already in the intersection and for traffic approaching so closely that to stop would be hazardous; and it permits operation of yellow as a flashing caution signal when the signal is not being operated as a stop and go signal.

There are a large number of traffic signals in use today that were installed before the present standards were adopted, and they do not conform to present standards. Unfortunately there are some local units of government who still buy non-standard signals without the yellow lenses. Some of these two-section signals show red and green at the time they are changing color, which is not only confusing but also hazardous.

You can also help with the problem of traffic control by understanding the functions of traffic signals and their limitations.

A well designed and operated traffic signal installed on the basis of factual studies of the number of vehicles and pedestrians, accidents, speeds, delays, and physical conditions of the location can render invaluable service in the smooth and safe flow of traffic. On the other hand, an unjustified, ill designed, ineffectively placed, improperly operated, poorly maintained signal is not only a waste of public funds, but it also causes unnecessary delays to traffic, disobedience of signal indications, use of alternate routes, and often, an increase in accidents.

After years of study and experience, National authorities have set out the conditions that will justify the installation of a traffic signal. Unfortunately, too many traffic signals have been installed on the basis of opinion rather than facts, and upon the

QUALIFIED BY EXPERIENCE

Better For Children Not To Be Exposed To Childhood Diseases, Officer States

How many people do you know that still cling to the old-fashioned idea that the sooner children catch the so-called diseases of childhood, the better off they'll be. Take whooping cough, for example. Isn't it ridiculous for a child to have to suffer with it when it may be prevented by simple vaccination?

Whooping cough goes by the scientific name of pertussis. Regardless of what you call it, it still means violent, painful, wracking coughs that take the breath and tears at the chest and throat walls.

Pertussis is prevalent among children everywhere. About 15 out of every 100 cases are in children under two. North America from time to time seems to have more than its fair share of cases.

Sometimes it's fatal, especially to very small children. About 85 out of every 100 whooping cough deaths are among the two-year-olds and less. And, strangely enough, most deaths are among girls. In 1949 Texas had 46 whooping cough deaths. So far in 1950, an average of 323 cases have been reported every week.

Whooping cough is spread by droplet infection—that is, by the breathing of air contaminated by a sneeze or cough of an infected person. You can get it from using the personal things of an infected person, too. It is communicable from about 7 days after exposure

until three weeks after the coughing starts.

The important thing about whooping cough is that vaccination may protect against it. It's the only thing that will. If an unvaccinated child gets the disease, he will thereafter get what is called a "definite and prolonged immunity." But the fact of the matter is that second attacks have been known to occur.

Vaccination of all preschool age children is an answer to control. "Booster" shots may be advisable within a year after the initial vaccination. Your family doctor will make that decision.

Mrs. J. W. Burgess Passes Wednesday At Her Residence

Mrs. J. W. Burgess, 72, who had lived in Hamlin for 41 years, died at her home here at 2:25 a. m. Wednesday.

Funeral was conducted Thursday afternoon at 4:00 o'clock in the Hamlin Church of Christ, of which she was a member. Minister

ter Bruce Proctor, Abilene, officiated and Barrow Funeral Home directed the burial.

Mrs. Burgess, a native Texan, had been in ill health for four or five years.

She was the widow of a Santa Fe conductor who died in Hamlin in 1945.

Surviving her are three sons; S. H. Taylor of St. Paul, Calif., and Tom and Dub Burgess, both of Hamlin, seven grandchildren and five great-grandchildren.

From 1613 to 1917 the Romanoff family ruled Russia.

Indians in the United States were given citizenship on June 2, 1921.
